- Result: Good / Jayyid

### **SMKA Pahang** – *Sijil Pelajaran Malaysia*

JANUARY 2004 - DECEMBER 2005

- Result: Result: 5 1A 4 2A 2 3B 1 5C

## SKILLS

### **Statistical software**

---

## Online courses

- Data Science: R Basics by edX (audited)
- Data Science: Visualization by edX (audited)
- Statistics and R by edX (audited)
- Data Science: Wrangling by edX (audited)

## PUBLICATIONS

- Modelling excess mortality among breast cancer patients in the north-east region of Peninsular Malaysia 2007-2011: A population-based study – BMC Public Health (Under review)
- The relative survival rates of female breast cancer patients in the north-east region of Peninsular Malaysia – BMC Public Health (Under review)
- Net survival differences of breast cancer staging in Kelantan, Malaysia: A population-based study – Journal of Preventive Medicine and Public Health (Under review)

## WORKSHOPS

- 3rd Workshop on Manuscript Writing and Publication by Unit of Biostatistics and Research Methodology, USM
- ATLAS.ti: Tool for Literature Review & Qualitative Studies by SLEU, IIUM
- Introduction to SPSS Workshop by SLEU, IIUM
- A Short Course on Data Analysis Using R Software (2018) by Unit of Biostatistics and Research Methodology, USM
- Google Drive: Your Research Support Tools by Hamdan Tahir Library, USM
- Mendeley by Hamdan Tahir Library, USM
- USM Library Webinar Series: Thesis Formatting with MS Word
- Python Workshop by Unit of Biostatistics and Research Methodology, USM
- ABC of Scoping Review by IPS, USM
- ABC of Systematic Review by IPS, USM
- ABC of Narrative Review by IPS, USM
- ABC of Manuscript Writing by IPS, USM

## COMMUNITY INVOLVEMENT

- Moderator for Medical Fiqh Forum 2017, UniSZA
- Organising committee for Monsoon Tahfiz Adventure Camp 2016
